Subject: Assembly Bill 208

Dear Senator Gaines and Assemblywoman Huber:

The building and development industries are experiencing a downturn in business that is unequalled since the Great Depression. The above-referenced bill will extend the life of projects with discretionary approvals for an additional 24 months.

We urge you to support this bill, and if possible, to join as co-authors.

The bill is scheduled for hearings at the Assembly Local Government Committee on March 23, 2011.
