Board of Supervisors
El Dorado County
360 Fair Lane
Placerville, CA 95667

Ladies & Gentlemen :

We are writing on behalf of the board of the El Dorado Hills Chamber of Commerce, which represents our 600+ member's business interests. Our board recently met and made a motion to respectfully ask that you reconsider your decision to remove road projects from the County's five-year Capital Improvement Plan.

We know firsthand that times are tough, the business climate has changed, and tough choices must be made. With that in mind we advocate for honoring the original commitments that were made in last year's five-year plan.

We ask you to please reconsider your decision and to reinstate these projects. If you do, we will help publicize your decision in the most favorable of lights to all of our members.

Thank you for your commitment to our community and for considering our position.

Sincerely,
